**The UK Shareholders Association
is an association of private
shareholders. We have branches in
London & SE, North East, North
West, South West & Scotland.
What do we do?**

- * *Campaign for your shareholder rights***
- * *give you direct access to company directors***
- * *help you make better investments***
- * *invite you into our community of like-minded people***
- * *We also publish a bi-monthly newsletter called *The Private Investor*.***

MANY PRIVATE INVESTORS BUY INDIVIDUAL COMPANY SHARES. BUT THERE ARE ALSO A VAST NUMBER OF INVESTMENT TRUSTS & FUNDS TO CHOOSE FROM.

PROBLEM;
DEMATERIALISATION
ENSURES THAT MORE &
MORE PRIVATE
SHAREHOLDERS HOLD
THEIR INVESTMENTS
(+ ISAS) IN NOMINEE
ACCOUNTS.
THESE BROKER
ELECTRONIC PLATFORMS
PROVIDE CHEAP TRADING
BUT ALSO REMOVE THE
NAME OF THE INVESTOR
FROM THE COMPANY
SHARE REGISTER.
RESULT: YOU RECEIVE
NO DIRECT AGM
INFORMATION FROM THE
COMPANY WITHOUT A
SHARE CERTIFICATE.

WE KNOW THAT FUNDS
& INTERMEDIARIES
DOMINATE THE
INVESTMENT MARKET
AS NEVER BEFORE.....
+THERE ARE 1500 HEDGE
FUNDS OF DIFFERENT
TYPES GLOBALLY.
THE TOP 100 ARE THE
MOST INFLUENTIAL.
