OXFORD TECHNOLOGY

LIGHTPOINT MEDICAL

“Oxford Technology are much more than just investors. They bring acumen on product strategy and innovation, but more importantly they provide inspiration to pursue audacious goals”

Dr. David Tuch
Lightpoint Medical

EXPEND

“From the start Oxford Technology's proactive approach and range of support has been invaluable - be it product feedback, introducing opportunities or strategy discussion they have played a fundamental role in the development of our company”

Johnny Vowles
Expend

SIMEdx

“Oxford Technology is a valuable investor and a key supporter of SIME. Their insights and expertise have helped shape and develop our business to what it is today.”

Povl Verder SIMEdx
